

BIO for:

Darice Grzybowski, MA, RHIA, FAHIMA

Since 2005, Darice Grzybowski has served as President of H.I.Mentors, a best practice health information, revenue cycle, software and strategic marketing consulting company located in Westchester, Illinois. Darice has over 30+ years of HIM practice and consulting experience and holds a master degree in Clinical Data Management from DePaul University. She is an RHIA and a Fellow of the American Health Information Management Association as well as an AHIMA Academy Approved ICD-10-CM/PCS Trainer & Ambassador. Darice has won multiple awards for her work in HIM including an AHIMA Triumph Award and was named Advance Magazine's Top Ten in 2010 HIM Professionals designation. She is a sought after national speaker, serves as an Adjunct Assistant Professor at the University of IL and has recently published a book by AHIMA entitled "Strategies for Electronic Document and Health Record Management" which is rapidly changing the way HIM professionals view their role relative to the EHR and Information Governance.
